

## January 2026 Spotlight

### Our 2025 Report Card

Thank you for a great year in 2025! With your help, we have been making a difference by reducing wildfire risk in the home ignition zone, one landowner at a time. In addition to reducing fuels on the ground, we also participated in over 50 community events to share information about wildfire safety.

Winter is a great time to start thinking about wildfire safety – sign up today for your free wildfire risk assessment.
